I thought it impossible so I looked up the name in the register and he lives in the same place as section-manager Ikenago
You've got some nerve really
On the inside it says Ikenago
So that's why there were no rumors about you and women even though you're popular
Return that!
But There are many narrow minded people in the world
What do you want to say?

Until when is staying single considered normal?
Marriage and settling down or talks of scandals have stake in a successfull career.
As I thought ...
Well ...
You see, those who come out to the world are not people with normal jobs.
What?
Whatever I do he doesn't seem to be here
Let us survive trouble-some times together
ちゅっ
After all we're shadow-beings
Isn't it like that

That was really great! Soccer is a good exercise
It's fun just doing it now and then

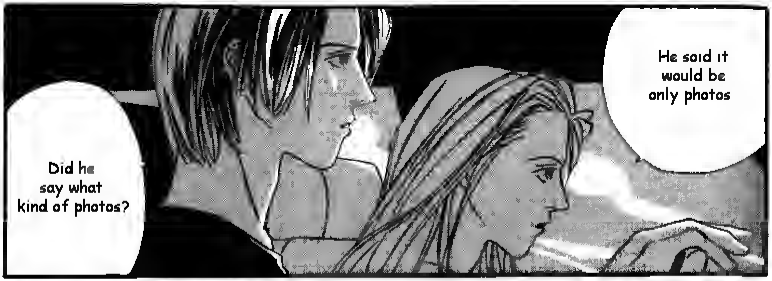
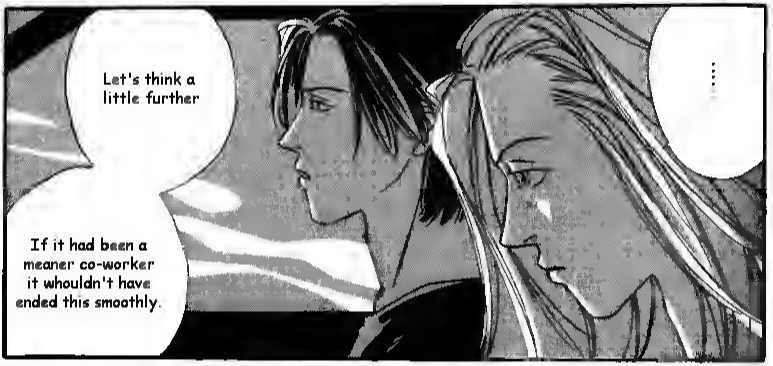
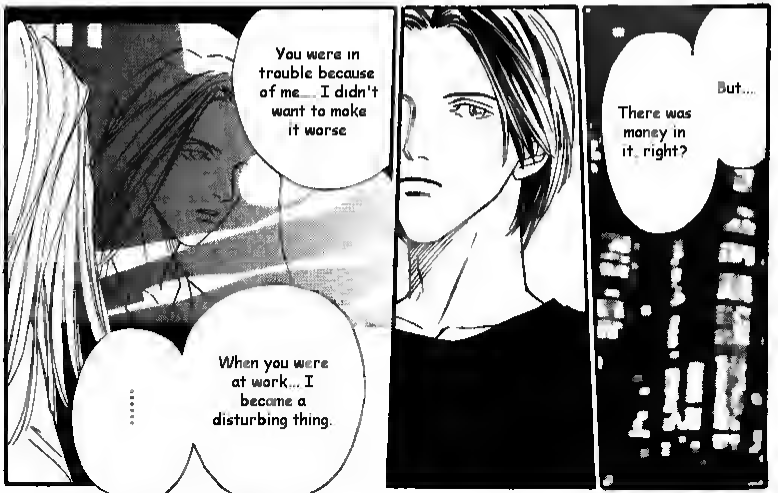
So cool! ♡
Why did you go with a guy like that?



He said it would be only photos
Did he say what kind of photos?

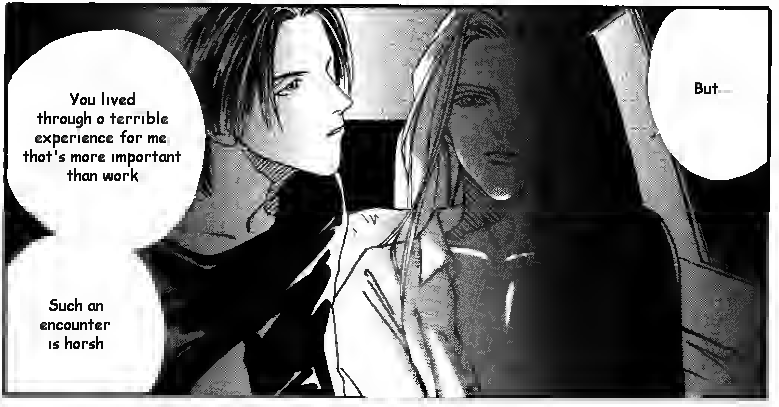


Let's think a little further
If it had been a meaner co-worker it wouldn't have ended this smoothly.



You were in trouble because of me..... I didn't want to make it worse
When you were at work... I became a disturbing thing.
But....
There was money in it, right?

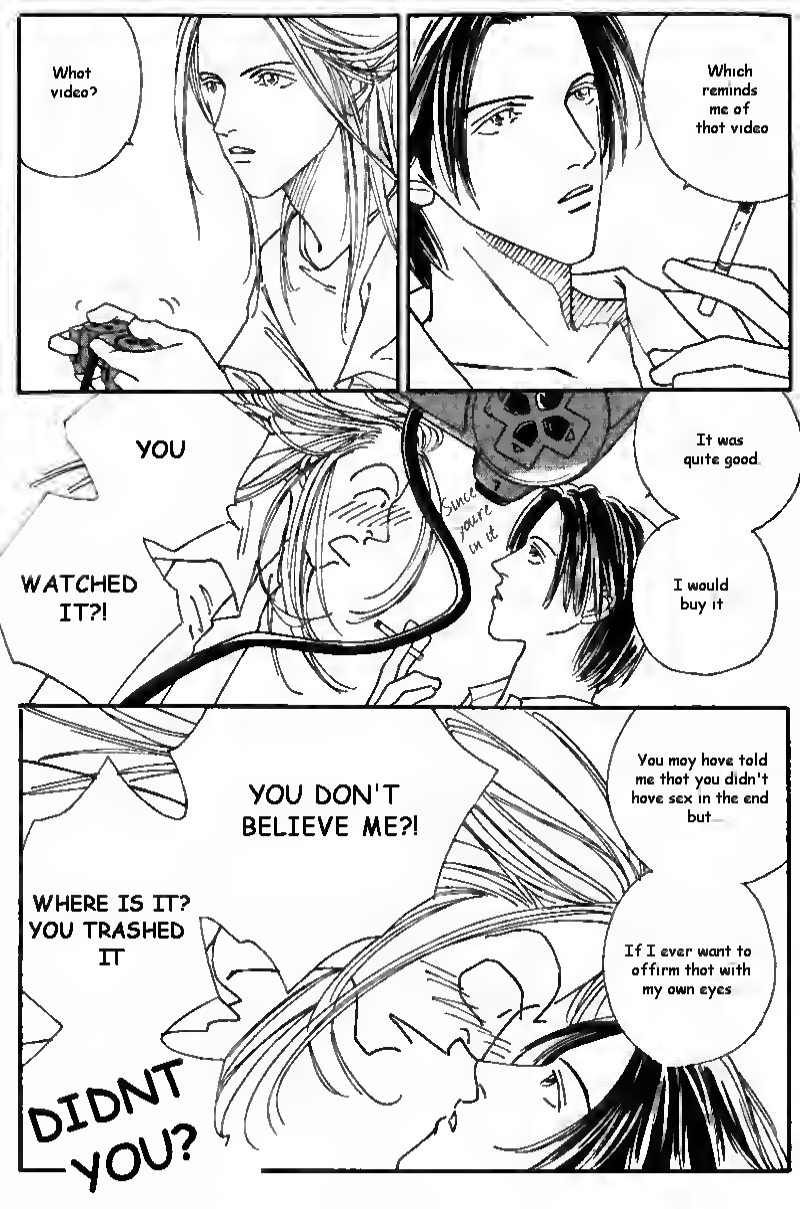
...it's okay
You don't have to worry that much



But...
You lived through a terrible experience for me that's more important than work
Such an encounter is harsh

Whenever you're out of sight I get worried
Really
Sorr
y

Huh?
That guy left the company?
He dissappeared ta be precise.
Huh?
Disap-pearance
He tried ta shirk payment far his laans.



What video?
Which reminds me of that video
YOU WATCHED IT?!
Since you're in it
It was quite good
I would buy it
YOU DON'T BELIEVE ME?!
You may have told me that you didn't have sex in the end but
WHERE IS IT? YOU TRASHED IT
If I ever want to affirm that with my own eyes
DIDNT YOU?

MATSUNAMI!!!
I considered trashing it, but
It made me hot...
